

**Attempting to cover over their error**

I, Andrew K. Bonner Jr. feel that it is pertinent information to make known that since being notified of this lawsuit Justia.com has begun the process of trying to delete my content from their website. Luckily I have personal screen shots to prove their conduct against me, so any deletion of evidence done by them will not matter. Their attempt to destroy evidence before trial is actually also a violation of federal law. I would like to cite 18 U.S. Code § 1519 - Destruction, alteration, or falsification of records in Federal investigations and bankruptcy, and 25 CFR 11.440 - Tampering with or fabricating physical evidence.

Sincerely,

Plaintiff: Andrew K. Bonner Jr.
